

National Drunk and Drugged Driving PREVENTION MONTH

DECEMBER
2017

DRUGGED DRIVING is the same as DRUNK DRIVING

Approximately 16%
of motor vehicle crashes involve
drugs (legal and illegal) besides alcohol.
Thank **YOU** for **NOT** drunk or drugged driving.

This information was provided by Navy & Marine Corps Public Health Center.

If you or someone you love needs help with alcohol or drug addiction,
contact CSACC for screening, assessment, and help at 703 784 3502.
