

Health Care

The Naval Health Clinic, Quantico, is staffed and equipped to provide non-emergency ambulatory healthcare. Walk-in appointments and Emergency Services are not available. The clinic is open from 0730-1800 Monday through Friday. The clinic is closed on Saturdays, Sundays, and Federal Holidays.

All new patients are required to be registered in the Department of Defense Enrollment Eligibility Reporting System (DEERS) and have a valid ID card if over 10 years old. Patients must also enroll with TRICARE and register in our computer system at the Medical Records Department (walk-in only) to ensure they are registered at our clinic. Proper registration enables you to make an appointment and/or receive prescriptions at the pharmacy. To make an appointment, leave a message for your provider or contact a nurse managed phone center 0730 -1600, Monday - Friday at 703-784-1725/1699 or toll-free at 888-784-1802, option 2.

For an emergency, go to the nearest emergency room or dial 911. Otherwise, contact TRICARE at 877-TRICARE to assist you in locating a provider. Once you have the name and address of a TRICARE authorized provider, contact your provider or your provider's designated representative through a nurse managed phone center at 703-784-1725, to receive a referral to seek out-of-area care. For questions or concerns, 703-784-1534 or patientrelations@med.navy.mil.

EFMP Welcome Aboard Guide

Marine Corps Base
Quantico

Welcome to Marine Corps Base Quantico!

The Exceptional Family Member Program (EFMP) provides guidance on how to navigate through the special needs process. Before arriving at Marine Corps Base (MCB) Quantico, we suggest you complete a Permanent Change of Station (PCS) Family Transition Check List and forward it to the Quantico EFMP office. You can access a PCS Family Transition Check List from your current EFMP office or via the Quantico EFMP website at www.quantico.usmc-mccs.org.

You and your Family Caseworker will refer to the PCS Family Transition Check List to connect services such as base priority housing and accommodations (if eligible), medical, educational, respite care, and more.

Once you arrive at MCB Quantico, check into the EFMP office to meet your Family Caseworker and begin accessing services in the DC/Virginia Area.

The EFMP Office is located at 122 Neville Road, Quantico, VA 22134.

Phone: 571-931-0524; Fax: 571-931-0539

You can email questions to the EFMP office at quanticoefmpoffice@usmc-mccs.org.

Child, Youth, & Teen Program (CYTP)

The Quantico CYTP provides services for children ages 6 weeks through 18 years of age, in a variety of settings, to include two Child Development Centers (CDC), the Quantico Youth & Teen Center, and Family Child Care homes. Hourly care and full-time care are year round programs, while Part Day Preschool and School Age Care follow the school year calendar. Registration for all of these programs is completed at the Resource & Referral Office located at CDC South, 3314 Purvis Rd., 703-784-0674.

A child's special needs will be addressed by an Inclusion Action Team prior to enrollment into CYTP.

School Liaison Office

Quantico has two school liaisons. They offer educational services and transitional assistance for families. The School Liaison Office is located at 126 Neville Rd, 703-784-4729.

Quantico Family Housing Office

- Make applications for housing
 1. DD Form 1746
 2. Pet Disclosure Form
 3. Registered Sex Offender Form
 4. Copy of Orders
- Provide copy of your EFMP enrollment letter with requirements/modifications which determines type of home assigned
- The above paperwork may be forwarded to housing 90 days prior to transfer

Quantico Family Housing Office: 703-784-2711

Early Intervention Program

Educational and Developmental Intervention Services (EDIS) is an early intervention for children birth to 3 years of age, who live on MCB Quantico. All parents can contact EDIS with any question or concern about their young child's development. For infants and toddlers who have a delay in their development, EDIS provides an array of services in the home or in the child care setting. Infants born with certain medical conditions may also qualify for EDIS services. No referral is required and no cost is associated with this program. For more information call 703-784-1741.

Early intervention services are also provided in each of the surrounding counties. Contact numbers are:

1. Prince William County: 703-792-7879
2. Rappahannock Area (includes Stafford and Fredericksburg): 540-372-3561

DoDEA Schools

For information on transition to MCB Quantico contact either of the following:

1. School Liaison office: 703-784-4729
2. DoDEA or the NY/VA DDESS office: 703-630-7026

Before moving to Quantico, request a copy of your child's education records to include his/her Individual Education Plan (IEP) from the current school. Hand deliver records to the receiving school so that they have a clear understanding on how to serve your child. The receiving school will recognize your child's current IEP and comparable services will be provided until your child can be reassessed and eligibility can be determined based on DoDEA or local state standards.
