BASE ACCESS GUIDELINES:

Marine Corps Base Quantico has implemented the Defense Biometric Identification System (DBIDS). The general public must pre-register with DBIDS for access to MCB Quantico and the Medal of Honor Golf Course. Once pre-registered in DBIDS, please visit the Visitor Control Center, Bldg. 27175 Telegraph Rd., Stafford, Va. to have your identity proofed and vetted. You will be issued a DBIDS pass for your day of play at no cost. If you are a frequent MOH Golf Course customer, you may request a longer term pass by contacting Golf Course Management at 703.784.2424.

Rules for base access for the general public are intended to help Marines accomplish their mission and keep families aboard MCB Quantico safe. Contractors, vendors, and sponsored visitors must obtain a DBIDS credential/pass.

For your visit, go to: quantico.marines.mil/Base-Access/
