Mission Statement and Philosophy

The Mission of the Quantico Youth Sports Program is to offer a wide array of organized sport activities for youth to help them develop desirable physical skills and to mature emotionally, socially, and psychologically. Through participation in youth sports, players will gain knowledge of sportsmanship, teamwork, and fair play while developing skills and a lifelong love of sports. We strive to provide a meaningful experience for all players through quality instruction while emphasizing skills such as teamwork, respect, dedication and discipline... and of course FUN!

At Quantico Youth Sports, our philosophy is to provide the best recreational experience to youth of all ages, interest and skill levels by focusing on four core elements.

1. Fun and Enjoyment: Provide all youth, regardless of skill level, ages 4-13, with opportunities for participation, fun and enjoyment in a healthy, positive atmosphere.
2. Skill Development: Provide youth the opportunity to develop skills in a variety of sports and encourage growth as young athletes.
3. Physical, Psychological and Social Development: Help youth grow as not just athletes, but as well rounded, healthy human beings, by teaching fundamental and safe sport skills appropriate for their age, fostering the development of self-worth and personal identity, and by learning independence and importance of teamwork.
4. Concept of Winning: Players can learn from both winning and losing if winning is placed in a healthy perspective. While winning is not the primary goal of Quantico Youth Sports, players can learn valuable life lessons from

winning and defeat. Sportsmanship, dedication, effort and teamwork are all factors that lead to a win and can be taught in the sports environment. Defeat can teach sportsmanship, how to recognize mistakes and correct them, and can build character when faced with an unwanted result.

Code of Ethics

All parents/guardians have signed a Code of Ethics in their child/children's registration packet. Quantico Youth Sports holds this Code in high regards and requires all parents and their guests to strictly follow its standards.

- I will remain on site for the duration of all practices and games.
- I will get my child to games and practices on time. If I cannot be there, I will contact the manager, coach or team mom.
- I will support the program by volunteering to assist the team in some way (drinks, snacks...etc.)
- I will ask my child to treat other participants, coaches, officials, parents, and spectators with respect regardless of race, age, sex, creed, or ability.
- I will treat officials and coaches with respect. They are there to provide my child with a safe and healthy learning environment. Officials and coaches deserve the same type of environment from the parents and spectators.
- I will let the coaches do the coaching for all of the team members.
- I will be my child's best fan; I will support him or her unconditionally.
- I will positively acknowledge my child's effort, as well as his or her support of other team members.
- I will encourage my child to learn to lose with dignity and win with grace.
- If my child's performance produces strong emotions in me, I will maintain a calm demeanor. My relationship with my child remains long after the competitive sport days are over. I will keep my goals and needs separate from my child's experience.
- I will support and root for all team members. Doing so fosters teamwork and I will encourage my child to do the same.
- I will model good sportsmanship at all times during practices and competition.
- I will understand and display appropriate game behaviors (e.g., watch; make positive remarks; don't berate players, officials or coaches). I will remember that my child's self-esteem and game performance are at stake. I will be supportive.
- I will demand a drug, alcohol, and tobacco-free sports environment for my child and agree to assist by refraining from their use at all youth sports events.
- I will let other family members and friends who attend my child's game know what constitutes as appropriate and supportive behavior.
- I will HAVE FUN!

Youth Sports Disciplinary Action Procedure

Youth Sports will not tolerate any inappropriate/negative behavior or actions from anyone (including youth, parents, spectators, officials, staff, bystanders etc.) in any sports in our league. Our sports are designed to implement the fundamentals of every sport and should be always safe. To keep Youth Sports safe and fun for everyone, disciplinary procedures will be taken against those who are breaking the rules. Anyone who directly violates rules, regulations, policies, or procedures will be subject to disciplinary actions.

It is purely up to the MCCS Youth Sports Staff's discretion whether someone is violating a rule, regulation, policy or procedure. Youth Sports Staff may take disciplinary action measures at any time. Coaches, players, and spectators ejected will not be eligible to attend or participate for the remainder of the game and/or the following scheduled game for that particular team and/or division (*only applies if coaching multiple teams/age divisions, the suspension happens where the infraction occurred).

Emergency Action Plan

In case of emergency (severe weather, thunder, lightning, etc.), all coaches must follow the below procedure to ensure the safety and location of all players:

- Immediately end practice and gather their team.
- Have their players follow them to the closest shelter and encourage parents/guardians to follow suit.
- Fill in the provided EAP form and turn in to a Youth Sports staff member.

Accountability of Whereabouts of Players

Each coach is responsible for knowing the whereabouts of all players at any given time. Youth Sports encourages all coaches to use the attendance rosters provided at the beginning of practices and make a note of the players that are present. Coaches should continue to do frequent checks (before each activity), to ensure all players are still present.

In case of emergency, parents will be responsible for signing out their child with their coach on an EAP form provided by the coach acknowledging that the child has left with you and is accounted for.
