Working out with a group provides extra motivation, camaraderie, and fun. Our wide variety of classes are great for beginners to advanced exercisers. All of our classes are conducted by certified instructors.

IN THE EVENT THAT AN INSTRUCTOR IS NOT AVAILABLE, A WELLBEATS VIDEO CLASS WILL BE USED FOR INSTRUCTION.

B.E.S.T.

(BASIC ENDURANCE STRENGTH TRAINING):

This class emphasizes the development of strength and functional conditioning with traditional weight-lifting exercises primarily using barbells and dumbbells. The training goal is to build long, lean, stronger muscles focusing on the endurance end of resistance training for a full body workout each class. Designed for all fitness levels.

CARDIO BARRE

With a combination of functional strength, dance, pilates, and yoga, bodyweight is used as a resistance to focus on alignment and optimal posture while enhancing body awareness, coordination, balance, and overall strength. There are also moves that will increase heart rate adding a cardio component to the class.

SPIN CYCLE

An indoor group bicycling class designed for all fitness levels. This high cardio workout challenges leg endurance without the impact on the joints.

WERQ

Build cardiovascular endurance and strengthen your heart muscle dancing to today's hottest Top 40 Pop, Rock, and Hip Hop music! WERQ up a sweat on the dance floor to all your favorite charting hits!

YOGA

Achieve physical, emotional, and spiritual well-being while strengthening your body. Yoga is a great way to manage stress and improve physical imbalances in the body.

ZUMBA

A "fitness party" that fuses Latin rhythms and fitness moves with international music in fun, choreographed routines.

SPIN THEN ZEN

Two classes in one! Spin Cycle, then take a short intermission before yoga which starts at 9:30-10:30 AM. If you prefer to do only one of them, that is an option as well. If you buy a daily pass, it will be good for both classes

WELLBEATS IS "FITNESS ON DEMAND"

There is one kiosk available for workout videos in a program called WellBeats. During unscheduled time slots, you can request to use the WellBeats program. However, **ALL WELLBEATS CLASSES MUST END 30 MINUTES BEFORE THE START OF A SCHEDULED CLASS.** Choose from a variety of programs such as kickboxing, step, sports interval training, strength training, indoor cycling, and yoga/pilates fusion classes.
