

## MCB Quantico Volunteer Program "Volgistics"

The Volunteer Program provides volunteer opportunities to active duty personnel, their family members, retirees, veterans and civilians to connect the installation and community volunteer resources. Across the globe Marines, Sailors and their families are giving back to the Marine Corps community. Marines are supporting other Marines while families are supporting other families and countless volunteers are serving in the local communities representing the Marine Corps core values.

To volunteer in the MCB Quantico community, your first step will be to request a **Volgistics** account.

The program allows you to create your own account, sign in, and password. Your account provides you one volunteer tracking tool where you can update your personal information, track your volunteer hours, and locate volunteer opportunities in your area of interest. By completing the requested information at [www.quantico.usmc-mccs.org/index.cfm/marine-family/quantico-volunteer-opportunities](http://www.quantico.usmc-mccs.org/index.cfm/marine-family/quantico-volunteer-opportunities) within 7 days you will receive a welcome email that will include your temporary password into the Volunteer Information Center Network Portal (VicNet).

**The President's Volunteer Program Award.** The President's Volunteer Service Award (PVSA) is the premier volunteer awards program, encouraging citizens to live a life of service through presidential gratitude and national recognition. We encourage you to take a look around, be inspired and take positive action that changes the world.

Marines participating in individual volunteer opportunities should have the Volunteer Form Confirmation form completed by the sponsoring agency and return a copy to the SMP House if they wish to have hours tracked for the Presidential Service Award, MCB Quantico Annual Volunteer Recognition Ceremony, or the Military Outstanding Volunteer Service Medal (MOVSM).
