MCCS Quantico Marina

Come visit a piece of Marine Corps history. Commissioned in 1919 to serve as a loading port for troops and supplies, the Quantico Marina has been a recreational facility for over 40 years. The Marina is located beyond the Town of Quantico at the east end of Potomac Ave. Home to over 100 slips; offering daytime, overnight, and long-term berthing for boats up to 50ft in length. Restroom and shower facilities are available to our patrons, as well as, a pump out station and small resale store to take care of those last minute needs before heading out for a day on the water.

Need dry storage? The Marina manages multiple storage lots for items up to 40ft.
