MEDAL OF HONOR GOLF COURSE SWING LAB

The Medal of Honor Swing Lab is a state-of-the-art training facility where we use the same equipment that top tier professional athletes in golf use to advance their game. The use of ultra-slow motion video analysis software, thermographic weight imaging, and biometric feedback from K-Vest will allow the PGA Professional staff at Medal of Honor Golf Course to evaluate, address, correct your swing, dial in your equipment, and have you shooting lower than ever scores! Schedule your Swing Lab Appointment Today! Call the pro shop @ 703-784-2424 for more details!

“Amazing Experience! Call and schedule your appointment ASAP! Using the K-Vest 3D Bio-feedback, super slow motion cameras and the knowledge of the Golf Professionals at Medal of Honor Golf Course after one session I lowered my scoring average from an 88 to a 76 on 18 holes which is 12 strokes. I’m hitting the ball longer and straighter than I ever have!” – Brian Lake
