The hierarchy of academic levels is defined as:

Baccalaureate (undergraduate)
Masters (graduate)

All Marines, during their career, are entitled to obtain one certificate at any level regardless of credentials currently held

- Lateral degrees, those on the same level of the hierarchy, will not be funded. For example, if a Marine has completed an Associated Degree, the next TA funded degree must be a Bachelor’s degree.
- TA may only be authorized for one program of study at a time
Colleges and Universities (in-class and online) for Associate through Doctorate Degrees and Certificates

Resident Schools

Visiting Schools
**Approval Versus Authorization**

**TA Approval** = Marine receives command approval from appointed Unit Education Officer / TA Approver to participate in higher education courses

*Please contact the Voluntary Education Center (VEC) for the list of appointed Unit Education Officers / TA Approvers*

**TA Authorization** = Marine receives funding authorization, from the Voluntary Education Officer, for TA to cover the tuition cost of the higher education course approved by the Unit Education Officer / TA Approver
