

LUNGA ROCK ART GARDEN

Help us decorate the Lunga Park Rock Art Garden with your very own art addition!

Everyone can participate any time you visit Lunga Park.

CREATE your own rock!

Step 1 – PAINT a rock with something relating to nature or showing Summer Fun images. (Tasteful art only please.)

Reminder: It is always a great idea to seal your rock with a clear spray sealer to protect your artwork from the weather.

Step 2 - LABEL your rock on the back with your name and a note of kindness.

Step 3 – TAKE a picture of your rock art and share at #LUNGAPARK. We will feature some of the rock creations on our MCCS Quantico FB pages and Instagram social media sites. Join, follow, and see all that MCCS has to offer @MCCSQuantico.

Step 4 – BRING your rock art to Lunga Park and add it to our Rock Art Garden and see other's works of art,
